y husband Daniel and have always been very open-minded, especially when it comes to our fantasies.

I often talked about having a threesome with a second man present and Daniel recently revealed his friend Steve had always fancied me.

"Bring him around," I said, and spent the afternoon pampering myself and getting ready before Daniel and Steve finally showed up.

We wasted no time with formalities and went straight up to the bedroom, where I took their cocks in my hands and licked them alternately.

Steve was obviously keen to get at me because he moved round behind me and started rimming my arsehole until it was nice and wet,

"You can stick your cock in there too," I said, pausing to pull Daniel's cock from my mouth, before going back to my sucking.

Steve fed his prick into me and fucked my clenched arsehole as Daniel banged my mouth, and before long I was in slut heaven.

After a while I told Steve to lie on his back and lowered myself onto his enormous cock.

Daniel then crouched behind me and slipped his meat into my arsehole and suddenly I was being fucked

My mind was in a spin at how unbelievably filthy I was being, and had there been a third cock, I wouldn't have hesitated pulling it into my mouth.

I could tell both of the boys were getting ready to explode, so I calmed things down and told them to stop what they were doing.

I wanted be on my back with Daniel sucking my pussy while I wanked Steve into my face, as this had always been my fantasy.

They did as I said and I came like an express train, all over Daniel's fingers.

Daniel then flipped me back onto my knees, fucked me in the arse and spunked his load deep in my arse.

The second he withdrew, Steve replaced him and fucked my sticky arse until he too shot his hot, sticky load.

"Want to see a trick?" I asked them, and as they nodded I held a wine glass underneath me and squirted the spunk from my burn.

The guys watched in amazement as I downed the lot in one and licked the wine glass clean.

Daniel now wants to watch me lick another girl's pussy. so get in touch if you're as filthy as me and we could have a lot of really dirty fun together.

Donna, West Mids.

A compendium of maternal muck, although some of the women in action here are borderline MILFs at best - Tina Kay's only just turned 30, after all. Maybe that's just me getting older. In any case, at 41 blonde Lana qualifies, and she's clearly lost none of her hunger for cock as she offers up her holes to a top notch spitroasting from her two studs. Tina takes things even further with a DP the highlight of her scene with young fuckbuddy Arteya. 40 year old Julia, meanwhile, shows that you can drink more than wine from a wineglass...

from behind. Tiffany Watson goes for the classic car washing scenario, although sadly she appears to dry out after a bit. Not where it really counts, mind!

Tool order My missus Sue has got a massive great pink vibe, just like the one Brooklyn was playing with in your latest issue - in fact I suspect it's the exact same model. Sue knows she can always get me in the mood by putting on a little show for me with it, lying back and cramming it between her sopping cunt lips, telling me how much she wants my cock inside her - something she always gets within a

couple of minutes! I wonder if Brooklyn would care to join us – she could bring her vibe as well and the girls could really go to town on each other!

Obviously I wouldn't mind joining in myself at some stage as well...

business! I think I've ost count of the number of times I've spunked over the picture of Harmony on page 35! With her boobs pushed together and her mouth opening in welcome, she clearly knows exactly what she's making me do, too! Just the thought of sliding my prick between those tits and sending a cascade of cum over her

pretty face is setting me off again now! Ken, Richmond.

She knows exactly

She knows exactly what she's making you want to do, Ken!

Zabrina isn't the only one who loves her pubes – so whether she's got long hair or short – or goes completely bald (up top, I mean!) she'll still do the job for me, every time! Paul, Stanstead.

JUST-FUR-YOU!

This collection from Private is perfect for those who've got a hard spot for some old school pubery. Savannah Secret's probably the hairiest, and splashes off all over the place as she takes a frantic back-door

OK, it might look like some sort of medieval torture, but the Rocks Off

Ro-Zen Pro is quite a canny piece of kit. As well as a cock and ball ring (providing stimulation and delay) it's also got a prostate massager, which, when combined with the USB rechargable 10 function buzzing bullet inside, will ensure your rocks don't stay on for long! noticed Mike. He had a nice face, friendly and generous, and the way he treated his children was really endearing. For the rest of their stay I thought nothing more of him, he was happily married, I thought, and the entire family were out every day. Then, the day before they were due to leave, Gwen came to reception with the kids and told me that Mike was up in their room, not feeling very well, and would I mind not cleaning the room today, to give him a chance to sleep. Then she and the boys went out and I got on with tidying away all the breakfast things before moving on to tidy all the rooms up.

By 12.30 I'd reached the second floor and was finishing up the room I was working on before knocking off for a quick smoke and a bite to eat. As I came out of the room, I pushed

my laundry trolley straight into Mike, knocking him to the ground as he yelped in pain. "Oh, oh, I'm so terribly sorry, I didn't think anyone was going to be here," I said as I helped him off the floor.

"That's okay, my own fault, I should have watched where I was going," said Mike, clutching his stomach and rubbing his shin.

"Your wife said you were ill, are you okay?" I asked, genuinely concerned for his well-being.

"Oh I'm fine, just a mild tummy upset that kept me awake most of last night." And I'd gone and rammed my trolley straight into his tummy!

"You must come downstairs and let me fix you something, I've got some peppermint tea in my kitchen that's very good for stomach upsets," I said, waving off Mike's feeble refusals and taking him by the hand. The weeks and months of working without a recognisable break suddenly caught up with me, and in the time it took for me to lead Mike down into my kitchen I had made the decision to take this man and screw him senseless!

I brought Mike into my kitchen, turned a chair round for him to sit on and then set about my plan. First I bent over him, on the pretence of feeling his forehead for a temperature, but really to allow him to get a good look down my blouse at my full cleavage. 'That's right lover-boy,' I thought, 'get a good look at those beauties, nice and firm and ripe for the plucking.' Then I turned and, with my legs straight and slightly crossed, I bent over to fumble around in the lowest cupboard right in front of him, allowing him to look at my beautiful legs. I fiddled around in the cupboard

for a good long time, hoping that all this bending over would arouse just the response I was after from Mike and his cock, but fearing that nothing was going to happen, I slipped my hand between my thighs and 'absentmindedly' rubbed my pussy gently. As I did this Mike let out a sigh and I swear I almost heard him say 'oh fuck!' under his breath.

That was all I needed. I turned and looked over my shoulder at him and. wearing my sexiest smile, I asked if he liked what he saw.

"Oh, I certainly do," Mike said and leaned forward, sliding his hands up and down the backs of my legs. As he lay his hands upon me, my pussy tingled and goose-bumps prickled my skin. I raised my skirt up higher and opened my legs just enough for him to see through them to the cupboard beyond. Mike didn't need any more encouragement and peeled my panties down to my knees, slapping me playfully on the right cheek, saying, "Now, aren't you a naughty little housekeeper."

"Yes, I am. And under the rules of this house, any naughtiness from your housekeeper is punishable by

wedding Tarty

ve been married for nearly 25 years to one of the hornlest women on the planet. Amazingly, after all this time, we are still finding new ways to please each other

One night recently, we were staying at a hotel in the country. We'd checked in, had a nice swim, then had gone back to our room to fuck each other's brains out.

There was a wedding reception at the hotel and so when we came down to the bar we found it was quite busy.

Jane got talking to some young lad from the wedding, though when she introduced me I thought he was going to shit a brick.

Jane told him it was okay, and put him at his ease by sliding her hand up his leg.

This was the first time Jane had ever picked up anyone in front of me and it gave me a raging hard-on to watch.

The lad slid his hand up her skirt, past her stocking tops and into her soaking panties.

A big smile spread across her face and I knew he'd got to her goodies.

At that moment, Jane said she was going back to our room and Andy (the young lad) looked disappointed.

When Jane was gone, I asked him if he'd ever had a threesome, and he said he hadn't, so I told him to come with me.

Jane greeted us in white stockings and suspenders and poured us both a drink.

She then went and laid on the bed and ran the tip of her vibrator over the front of her panties

> Andy could barely believe his eyes, and when she beckoned him over, she pulled his hand onto her

While he was playing with her tits, she pulled down his boxers and his cock sprang free.

She told him to lie down and slowly rubbed his hard meat as I got behind her and pulled down her panties.

Ву now. Jane had his cock

her throat while he was pumping three fingers into her cunt.

Andy was perilously close to cumming so Jane stopped sucking his cock and got him. to lick her pussy.

Jane loves orallex and almost came on this young lad's face, but she wanted to feel his cock inside her so she slid on top of him.

She moaned as he started to fuck her with slow gentle thrusts.

Jane was clearly more desperate than Andy though because she pushed him into the bed and began fucking him hard and fast.

I stood in front of my mouth and flicked my cock in her face, and she took the whole lot into her mouth in one.

She licked and sucked me for about a minute, then climbed off and began furiously wanking Andy into her mouth.

He spurted all over her face, covering her grin with his sticky load, then Jane dropped her mouth onto his cock and sucked his balls dry.

Andy went and rejoined the party and left the pair of us to

BIRCH WILLS THE

"He pulled out his

cock and sprayed

hot semen up my

arse crack."

fucking," I coyly replied, and slipped my finger between my dampening lips to give myself a quick thrill and to tease Mike just that little bit more. Mike then bit my buttocks and licked the top of my crack. Pulling my cheeks apart he ran his tongue up my thigh and gently traced along my slit. This brought my juices flooding out and I begged him to fuck me.

Quickly, Mike stood and dropped his trousers, yanking my panties down to the floor I stepped out of them and spread my legs wide, gripping the edge of the cupboard for support. Mike

for support. Mike thrust his cock straight into my pussy and fucked me hard, slapping my arse and pulling me onto him as I groaned with pleasure.

"Yeah, fuck me, fuck my pussy, make me come. Shove that big hard prick right up me," I yelled, toving every minute of it.

"You dirty little cow," Mike panted. "How'd you like me to come on your arse, huh? You'd love it, wouldn't you? You'd love to feel my come on your arse cheeks!" And with that, he pulled out his cock and sprayed hot semen up my arse crack and over my cheeks, rubbing his cock all over my tanned skin when he'd finished spraying.

"Hey! Not fair." I complained. "You haven't finished me off yet!" I was still itching to come, and was starting to feel robbed. Worse, I was slowly beginning to think that what I'd just done was not only

wrong, but pretty disgusting. I'd just let this married man, a customer of mine, fuck me like a cheap tart. Now I was afraid he was just going to wipe himself off and leave me alone and frustrated with his sperm drying on my backside.

"Sorry baby," he said, "but I'm all spent. How about you finish yourself

off, huh?"
That bastard,
I thought, he's
gonna fucking
leave me to it.
And then I had
the bright idea
of fingering
myself right in
his face, surely
that would get
his prick back to

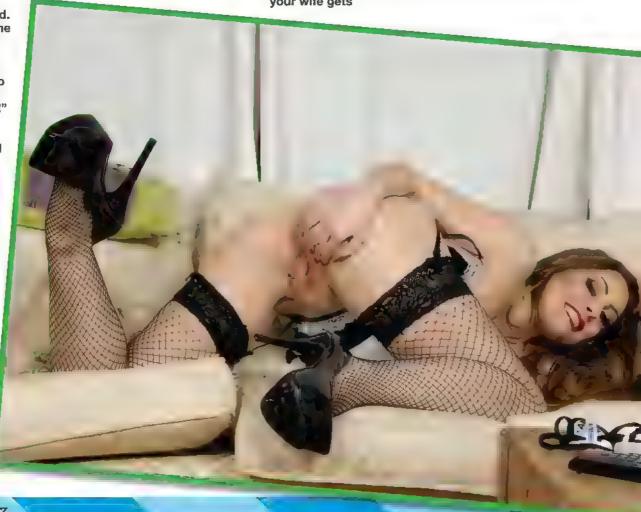

a firmness that I could use. I pushed him back into his chair and straddled him, grinding my fingers into my clit and bucking my cunt straight at his face.

"Uh, uh, you ain't leaving yet, you've got to finish me off or I'll let your wife know all about our little secret. Now eat me out. Make me come before your wife gets back," With a smirk,

Mike stuck his thumb inside me and sucked hard on my clit. This was more like it, he sure knew how to eat a pussy, sucking and licking and darting his tongue round my lips and clit whilst fucking me with his finger.

I could feel my orgasm building up and Mike must have guessed from my heavy breathing and mumbled, "Yeah, come on darling, come on my face, that's it." Then he began to probe my bumhole with his finger, taking some of his come he rubbed it into my hole and slowly slid his finger into my arsehole. Then he poked it all the way in and, together with his thumb in my cunt and his mouth sucking hard on my clit, my orgasm burst through me and ripped through my body.

"We're all square then," Mike said as he slid his finger from me and wiped his hands clean on my table-cloth. As he left I sat down, rubbing my clit and enjoying the soft, receding waves of my orgasm. I only saw him once more, when they were paying, and he and I acted like nothing had happened, which I wish was true...

in the stories ever happened to me. Until I met Candy.

I spend all day working with computers. It's usually very boring. At least it was until the new girl started.

As soon as I saw her I wanted to fuck her brains out. 5ft 6in tall with shoulder length brown hair and fuck me eyes.

She looked gorgeous in her short skirt, high heels and tight white blouse. I couldn't take my eyes off her.

She was sat in the vacant desk opposite me. Under the desk, I could see right up her skirt when I dropped my pen and she seemed to open her legs nice and wide for me to have a look.

I had no choice but to pop to the log for a wank, but when I got back she called me over and whispered to me to save some for her.

She headed for the toilet. and when she came back she resumed her seat and indicated to me to look under the desk again.

the stationery cupboard for a little privacy.

In undid her blouse and lifted her bra, cupping her firm tits as she took hold of my cock.

I was already hard as a washboard and couldn't wait to feel her warm pussy around me.

She started to wank my cock, then got down onto her knees and took me into her hot, wet mouth.

Despite my

earlier wank I only lasted about two minutes before unloading a river of sticky cream straight down her throat.

Without a moment's hesitation Candy swallowed the lot, then gave me a little snog and hitched up her skirt around her waist.

She looped a leg over my shoulders when I got down on my knees and drew me into her juicy quim.

I licked and sucked her

delicious hole for a good ten minutes, losing myself in her delicious taste and smell, so it wasn't too long before I was rock hard again.

I lifted her onto me and rammed my cock straight into her burning hot cunt.

She howled and orgasmed as she writhed against me and her

"I LICKED AND SUCKED HER DELICIOUS HOLE FOR A GOOD TEN MINUTES..."

cum was soon trickling around my balls.

Candy begged me to fuck her harder and harder and dug her nails into my arse as I pounded away at her sloppy pussy for all I was worth.

She came again for the umpteenth time just before I filled her hole full of ribbons of hot cum and we promptly collapsed to the floor of the cupboard in a big sweaty heap.

I'm delighted to say we've repeated this coffee-break cumsucking every day since she started and I can't believe my luck!

These days, for the first time ever, I'm even look forward to going to work.

Jim, Peterborough.
